A Teaching Moment

The Most Holy Trinity

In the run-up to this Memorial Day weekend you've probably seen veterans out and about holding donation canisters and sporting little paper reproductions of poppies. It was Canadian Lt. Col. John McCrae's famous World War I memorial poem, "In Flanders Fields," which inspired the remembrance poppy that is seen at this time of year. While McCrae popularized the red poppy that grew in the cemeteries of France, another man used a different plant to help people remember. Patrick, Apostle to Ireland, used a shamrock, a three-petal leaf to offer a visual explanation of the Holy Trinity, a theological concept that can be difficult to comprehend. Since the leaf is really one, even though it has three lobes, it was a perfect example of the triune God-Father, Son, and Holy Spirit, three persons in one God. In this Sunday's Gospel Jesus illuminates the mystery of the Trinity by telling his disciples that the Holy Spirit will guide them to the truth. Jesus indicates that the Holy Spirit shares what is his and he shares what is the Father's. Through centuries of reflection and theological discussion, the church slowly came to perceive the mystery of the Trinity as three persons in one God. While the Father is not the Son, and the Son is not the Holy Spirit, and the Holy Spirit is not the Father, all are God. Patrick's shamrock was his attempt to help people gain an insight into what is essentially a mystery beyond our understanding. What we do believe is that this God who is three persons is also pure and undivided love. On this weekend when we honor those who gave the full measure of their devotion by wearing red poppies, we also celebrate the One whose love and devotion to his people is undivided and unending. That One is God, the eternal loving Father, the Son who gave his life for us, and the Spirit that is poured into our hearts.
