Mass Book

The Mass book for 2014 will be open on Wednesday, October 16th. During that week, October 16th -18th, any parishioner of the parish is welcome to stop by the rectory office to get ONE mass. After that week you may call or stop by the rectory office and book the other two masses you would like. Due to the high demand for masses the limit for masses is the same as last year; 3 masses and 4 sanctuary lamps. Hopefully everyone will have a chance to have a mass said for a loved one.

A Teaching Moment

26th Sunday in Ordinary Time

Proverbs have a way of succinctly stating a concept that can become a kind of mantra for explaining the way things are. Sayings like, "Mighty oaks from little acorns grow," or "The apple doesn't fall far from the tree," or "It's the squeaky wheel that gets the grease," are all meant to encapsulate a larger concept in a brief sentence. For the most part, the person hearing the phrase immediately understands to what the speaker is referring. And so the saying, "He can't see the forest for the trees," is often understood as describing someone who cannot comprehend the larger implications of things because all he can see is the minute details on which he is focused. In the Gospel this weekend Jesus tells a parable about a rich man who was seemingly oblivious to both the forest and the trees. In the story the rich man seems unconcerned with anything but his own pleasure. He dresses in fine linen. He eats great meals. It seems like he has it all. The "forest" of communal interaction seems beyond his imagination. At the same time, from what we are told, the rich man also seems not to have taken any notice of the beggar at his door. He was not even aware of the "trees" of someone right at his gate. In our lives as Christians, both the forest and the trees are important. We can't lose sight of either of them. As people in the world we must continue to be involved in working for a more just society through our advocacy and political activity. We have to promote the causes of life, human dignity, peace, and the common good. That's the big picture, the forest, that we see. At the same time through our works of charity and simple outreach we touch the lives the poor, the sick, the lonely, and the dying in our very midst. They are the trees right in front of us, and we cannot miss them either.
